

2015– 2016 HOMESTEAD HIGH SCHOOL TEMPORARY PARKING RULES

Driving to school and parking in the Homestead High School temporary parking lot is a privilege. All cars driven to school must be registered and have a valid parking tag hanging from their rear-view window.

There is a section of the parking lot at Homestead High School specifically designated for temporary parking (near the tennis courts spots number #494-505 and #536-544). Students may use only this section of the parking lot and are to park between the lines of their assigned stall. ***Students who park in a spot other than their designated space, including in the faculty, administration, or visitor's lot may be ticketed by the Mequon Police Department and may lose their parking privileges.***

Temporary parking spots are to be used by students who need to drive to school very infrequently. If a student intends to drive more than 30 days during the school year, a permanent parking space should be purchased.

Temporary parking passes are \$2 per day may be purchased in the Student Office, several options exist:

1. In Advance:
 - a. Purchase your temporary parking pass from the Student Office the day before you will park at school.
2. Day of:
 - a. Call the Student Office before school (262) 238-5685 and ask for a parking spot number for the day. Once parked, stop by the Student Office to register your car for the day and pay the daily fee.
 - b. Park in 30 minute parking in front of the District Office. Stop by the Student Office to purchase your temporary parking pass. Drive your car to the assigned temporary parking space. (This option will take the most time, please arrive by 7:05am so you will be on time for your first hour class.)

If a student drives a car off the campus during the school day without proper authorization, that student will be subject to disciplinary action for truancy and may have his/her parking privileges revoked. Driving other students off the property without notifying the Student Office is also a violation of school rules. Smoking, loitering, or general socializing in a car on the parking lot may also result in the revocation of a student's parking privilege and other disciplinary action. Due to the fact that our school district provides bus service to our students, all absences related to vehicle problems are unexcused.

The Mequon-Thiensville School District does not carry collision or liability insurance to cover student accidents or vandalism done to student cars while parked in the Homestead High School parking lot.

All insurance coverage for student accidents must be handled by the automobile owner's private policy. Homestead High School, in cooperation with the Mequon Police Department, conducts routine surveillance of the parking lot during the school day.

Owners of vehicles parked in the Homestead High School parking lot park and use the parking lot at their own risk.
