

PRESCHOOL & CHILD CARE RESOURCES

City of Mequon & Village of Thiensville

September 2013

The purpose of this booklet is to provide information about area preschools and child care services. The Mequon-Thiensville School District has no role in funding, supervising or monitoring these services. Please view this as a listing, not an endorsement, of the programs.

The booklet was developed by the Early Developmental Awareness Project (EDAP) of the Mequon-Thiensville School District.

The Early Development Awareness Project provides:

- Developmental information and support to families of children under school age
- Communication between agencies serving young children and their families
- Developmental screening and resources for identifying children who might benefit from a special education evaluation

This service is available to residents of Mequon and Thiensville.

After School Care: 11:45 a.m. - 6:00 p.m.

Days in Operation: Monday thru Friday

Months in Operation: School Calendar Year

Philosophy Statement:

Building Blocks Christian Learning Center provides children with a high quality Christian education as it encourages, supports, and nurtures families through the Word of God.

The goal of the Preschool and After School Care is to create a friendly and relaxed atmosphere where the children can begin their transition from home to school. The program uses numerous materials for manipulative and imaginative play. It is necessary that a wide variety of activities be offered to allow for the differences in children. Ideally, all children enrolled achieve satisfaction, recognition and growth.

School Hours: 8:00 to 11:30 a.m., After School care available

Days in Operation: Monday, Wednesday, Friday - 4 year olds
Tuesday and Thursday - 3 year olds

Months in Operation: September through May

Philosophy Statement:

The purpose of our Christian 3K and 4K programs are to equip children to appreciate and enjoy the earthly blessings of God, and to prepare them for the blessings of eternal life with their Savior. It is our goal to give to our Lord's little lambs their first school experience and to begin the total development of a well-rounded, well-adjusted Christian personality. The spiritual, mental, social, emotional and physical aspects of education will be treated in a relaxed atmosphere, with emphasis on the enjoyment and pleasure of learning. Children will learn of God's love, learn independence in work and play, experience group play, develop muscle coordination, work on math and reading readiness and grow in Christian love and respect.

Parent Involvement Opportunities:

Daily communication is maintained with the parents. Monthly newsletters, quarterly progress reports and parent teacher conferences keep parents up to date with school happenings. Parents are welcome to volunteer as interest and time allow.

Philosophy Statement:

The preschool age is a vital time for parents and their child. It is a time when parents not only lay the foundation for learning, but for moral and biblical training as well. Crossroads Christian Preschool offers your child a secure, loving Christian environment where each child can develop spiritually, physically, socially, emotionally and intellectually through curriculum rooted in God's Word. We work with parents in developing the skills needed to prepare their child's heart and mind to enter Kindergarten.

Curriculum:

CCP uses monthly themes to help children learn about Jesus, themselves, and the world around them. The curriculum offers a variety of learning experiences for your child, such as:

- Bible Stories and songs of praise
- Introduction and memorization of simple Bible verses
- Development of large and small motor skills
- Sharing and caring time
- Art and music activities
- Music with the Directors of Music Ministries twice a month
- Library time
- Gym activities
- Introduction to letters, phonics, numbers and writing
- Math activities—patterning, counting, sorting and measuring
- Quality children's literature
- Field trips
- Emphasis on good manners and listening skills

About Ebenezer Child Care:

For more than 40 years, Ebenezer Child Care Centers have been helping the families of the Greater Milwaukee area to raise healthy, well cared for children by providing quality child care while parents are working. Our quality early care and education meets important physical, emotional, social, and cognitive needs of children of all ages. Our well-educated and nurturing staff has been trained to embrace multiculturalism, and they work hard to incorporate it into everything we do. As a result, we find children thrive while in our care.

Mission:

Ebenezer Child Care Centers, Inc. sets the standard for superior child care by partnering with parents and the community to create diverse, innovative, and nurturing environments that provide a foundation for learning.

Additional Information:

Months in Operation: Open Year Round - School Year & Summer Camp

Philosophy Statement:

Our licensed program provides children six weeks through K4 with a high quality, year-round early childhood education experience in a welcoming, nurturing Jewish environment with a faculty team that is comprised of warm, caring and creative individuals. Through play-based and Reggio-inspired philosophies, children explore their environment using dramatic play, music, art, sensory experience, movement and language. Daily activities are infused with Jewish values and culture. Each Friday, we join together for an All-school sing-along to honor Shabbat. We emphasize respecting ourselves, each other and the environment. In addition, Gan Ami offers music and gym classes taught by experienced professionals, and the award-winning Ethical Start® curriculum which facilitates lessons on core human values, and much more!

Parent Involvement Opportunities:

The main goals and objectives of the Parent Involvement Committee are:

- Encourage parents to play an active and supporting role in the education of their children
- Build a strong sense of community between parents, teachers, staff and Jewish leaders
- Help to disseminate important information to parents throughout the year
- Create a warm, inviting, and loving environment for all families
- Promote a spirit of volunteerism and create a supportive environment for parents to effectively contribute their time and talents.

Philosophy Statement:

Mequon Jewish Preschool believes that every child deserves the opportunity to experience the very best in an early childhood program. We provide children from diverse backgrounds with the skills and tools to grow to be future leaders in our society. We work on instilling a strong Jewish and moral conscience in our children together with a love of learning. Children learn to read, count, and paint with many different creative mediums. We take pride in preparing our children with the confidence and skills to succeed as students in grade school and throughout the journey of life. Children discover the joy and beauty in our Torah and traditions and take great pride in their heritage. We recognize that today's child is tomorrow's leader. Our program includes involvement of the whole family as parents, grandparents and siblings participate in many of our family events.

It is our belief that when we instill in children a love of our traditions and an appreciation of their unique gifts they will grow to be confident, caring, and successful leaders of the future.

For our children... For our future... For our community.

Day care provided 7:30 a.m. to 5:30 p.m.

Days in Operation: Mon. through Fri.

Months in Operation: Sept. to June
Summer Camp - 8 weeks starting in June

Philosophy Statement:

The goal of Montessori education is to instill in the child a love of learning, self confidence and respect for others. The program offers activities and experiences that are challenging, enjoyable and age appropriate which promote the curriculum through the child's best way of receiving it, that is, through play, freedom of choice and freedom of movement. Children learn to respect others because they are respected. Cooperation rather than competition is stressed and the concrete materials help them to understand concepts rather than memorizing facts.

Purpose of Program:

The purpose of the Child Care Center is to provide high quality care for children and to support parents in their family, student, employee or other roles.

Educational Philosophy

The center reflects the philosophy that children learn through exploration, cooperation, and directing their own activities and energies whenever possible. A wide variety of learning experiences are offered to promote the emotional, social, cognitive and physical development of each child. The physical and social environment serve as the "textbook" for our young children.

Curriculum planning supports the developmental level of each child and includes active, quiet, individual, group, indoor, and outdoor activities. Because of our excellent teacher/child ratios, children receive ample individual attention, activity choices and opportunities to participate in group experiences. *The MATC Child Care Centers are accredited by the National Association for the Education of Young Children.*

Center Hours: Preschool (3 yr. olds) Monday & Tuesday 9:00 - 12:00
Jr. Kindergarten (4 yr. olds) Wed, Thur, & Fri. 9:00 - 12:00

Months in Operation: School year - September to May

Philosophy Statement:

Pride and Joy Preschool is located in a perfect setting at Logemann Community Center. This private preschool rents the Family Playcenter for its morning classes. Throughout the rest of the day, the Logemann Playcenter is open to the public welcoming any child accompanied by an adult to enjoy this stimulating and enriching environment for a nominal fee.

Although state licensing allows for increased enrollment in such a spacious classroom, Pride & Joy has stayed committed to capping enrollment at 10 children per class. This personal small group experience in a structured preschool environment proves less overwhelming and more interactive and nurturing for each child. The emphasis of the program revolves around the importance of learning through play with an emphasis on sensory opportunities. Large and small motor skills plus cognitive, social, and emotional growth are strengthened through developmentally appropriate practices as mandated by Wisconsin Model Early Learning Standards. The joyful atmosphere at Pride & Joy Preschool encourages curiosity, problem solving, independence, and tolerance as each young child begins to delve outside the "world about me" attitude.

Parent Involvement Opportunities:

- Parents are encouraged to "hang out" after school while their children enjoy the "running room." This encourages parents to develop friendships among themselves while also allowing opportunities for daily individual parent/teacher feedback immediately following class. Conferences are scheduled as needed.
- Parents may volunteer to chaperone Junior Kindergarten field trips

Months in Operation: January through December

Philosophy Statement:

The mission of RANGE LINE PreSCHOOL and CHILDCARE (RLPC) is to consistently provide loving care and quality education to its children that is of the highest quality.

To achieve this we:

- Employ a well-qualified, experienced, certified lead teaching staff.
- Have excellent, open communication with our families concerning all aspects of their child's/children's care.
- Create and maintain a welcoming facility that is clean, neat, organized, colorful, warm, inviting, and visually stimulating.
- Equip all classrooms with high quality, well maintained toys and other learning equipment that is age and developmentally appropriate.
- Provide a strong developmentally appropriate curriculum which corresponds with that of the local public and private grade schools.
- Provide for positive social and ethical development in addition to a strong academic curriculum.
- Regard each child as a wonderful unique individual and assist each child in all aspects of their individual development.
- Maintain a safe, healthy, welcoming environment conducive to learning, loving and living.
- Teach our children to Love to Learn!

Parent Involvement Opportunities:

Parents and teachers communicate through individualized daily notes, daily classroom communication boards, newsletters, and parent teacher conferences. RLPC has an open door policy for its families and encourages parents to come in and observe their child in action and participate in center activities at any time. Throughout the year we also offer several family events in the evening or on weekends to enable parents who work during weekdays to become involved and participate.

Philosophy Statement:

We believe in the development of the whole child, helping each child grow in spirit, mind, body, and relationships through support, education and resources for the entire family. Sonlight Child Development Center provides children and families a safe and nurturing learning environment. To achieve our philosophy, our program has the following components:

- Developmentally appropriate and culturally diverse activities/materials
- Caring, experienced, and well-trained lead teachers with over 100 years of combined teaching experience
- Planned activities that meet the individual needs of all children
- Opportunities for children to learn through exploring materials in their environment, with participation in large and small group activities
- A safe outdoor playground with nature explorations on nature trails
- Special activities: Computer Tots, "Nature Lady" and Music Sessions
- Developing each child's fine and gross motor, social, cognitive, self-help, problem solving, communication, and language skills.
- Encouragement of children's creativity and curiosity

Parent Involvement Opportunities:

Sonlight Center believes that parents are the most important influence in a child's life. We strive to create open communication and respectful relationships with parents through the following opportunities: open visitation, monthly newsletters, parent-teacher conferences, and parent networking opportunities.
