Dear Wilson Families,

Wilson Elementary is partnering with Milwaukee Public Schools in a book drive program called Book Angels. To give you a brief overview of the program, Book Angels is a book drive designed to provide classrooms with lending libraries to improve the literacy of children at inner city elementary schools. The program asks for donations from surrounding school districts of new or gently used fiction and nonfiction books for K-8 students. Book Angels is a way **for kids to help other kids**. You can read more about this program at <http://bookangelsusa.org/>.

**Our goal is to collect 1500 new or gently used books!** Here is what you need to know:

- The Book Angels book drive starts this Monday, November 23<sup>rd</sup> and runs through Friday, December 18<sup>th</sup>.
- Books can be dropped off in the school office, with Missy Vraney, the literacy specialist, or in our Wilson lobby. There will be green recycling bins under the Book Angels bulletin board by the gym doors in the Wilson lobby where you can drop off your books.
- Every few days, we will have students announce the total number of books, until we meet our school-wide goal of 1500 books.

I am asking families to take the time to go through your bookshelves these next few weeks and think of the many inner-city youths that can benefit from your books through this program.

Please call me at 262-238-4651 or email me at [mvraney@mtsd.k12.wi.us](mailto:mvraney@mtsd.k12.wi.us) if you have any questions.

Thank you for your help with the Book Angels outreach program.

Sincerely,

Missy Vraney
