

MTSD ENROLLMENT PAPERWORK TO GO ONLINE STARTING AUGUST 1, 2012!

Dear Parents and Students,

MTSD is pleased to announce an online student enrollment process starting August 1, 2012. This summer, you will be able to access and update your student's 2012-13 school year enrollment information online. The online process will replace the traditional forms and paperwork, and will significantly streamline the enrollment process for both families and the district. Also new for 2012-13 is the option to pay school fees online via electronic funds transfer or credit card!

Watch your mailbox during the last week in July. This is when your student's access code and detailed instructions on how to use the online system will arrive. The online process will be enabled on August 1 to give you time to finish your 'paperwork' by Registration Day.

Please mark your calendar and plan to attend the **2012-2013 school Registration Day on August 15, 2012**, from 8:00am-2:00pm and 4:00pm-8:00pm. **Student pictures will be taken at all buildings on Registration Day, August 15.** As in the past, all school buildings will be open and staff will be available to answer any school related questions. Computer kiosks will be available on registration day for those who need to use them to submit their student's online enrollment. Representatives from MTSD's food service, transportation service, and parent/community groups will be on hand to provide important information. In addition, at the high school level, schedules are obtained on this day.

More details will follow as we get closer to August. In the meantime, if you have questions, please call the Pupil Services office at (262)238-8510 or (262)238-8514. In the weeks to come, we will be creating a FAQ section on our district website. Please be sure to visit us at mtds.k12.wi.us and look for the **Registration Information** link.
