Summer 2010

Dear Parents and Friends:

The Mequon Thiensville Education Foundation extends a huge thank you to our supporters. **Thanks to your ongoing generosity, the Foundation has awarded over \$1.9 million in grants to our school district over the past 11 years!**

The Mequon-Thiensville School District has a long history of educational excellence. However, current school funding issues present a challenge to our district, and we are no longer able to maintain our high standards through tax dollars alone. Fortunately, we live in a community where people value education, and we are thankful for the involvement and generosity so many of you have shown the Foundation since its inception in 1998. Now more than ever, we need your continued support!

Please commit to joining our Giving Circle again this year. We need each family's involvement to meet our goals. Whether you choose to participate with a financial donation, through volunteer work on one of our committees, or by attending one of our events, please know that you are making a difference in your child's education.

We are excited to share our 2010-2011 MTEF calendar of events.

Annual Campaign	October 2010 - January 2011
12th Annual Tartan Ball	January 29, 2011
Spring Raffle	April 2011
Community 5k Run/Walk	May 22, 2011
NEW! Wine and Cheese Tasting at Shully's	Summer 2011

Please visit our website at www.mtef.org to learn more about us. We look forward to your involvement and participation. Thank you for your support!

Sincerely,

Tanja M. Felton
President, MTEF

Marcia K. Schwager
President-Elect, MTEF
