**WHY PPI?? - BECAUSE:**

- We are concerned about the increasing acceptance of adolescent use of drugs as a normal part of growing up.
- We believe that appropriate limits are important for the healthy development of our children.
- We believe that our children need and benefit from a unified statement of positive standards and values.

**WE AGREE TO:**

1. **ENCOURAGE** positive activities for our children by chaperoning and by not allowing alcohol, tobacco, or any other drugs to be consumed by minors who are socializing in our homes.
2. **COMMUNICATE** plans with other parents.
3. **SUPPORT ATOD LAWS** and expect lawful behavior from your child and their friends.

I understand that my membership is valid only for the 2010-2011 school year. Registration is necessary every year.
