### LET'S LOOK AT THE MENU

We realize that our youngest students have very particular food preferences. That's why our team of dieticians have created a menu just for them.

Everyday, your child will be able to select from

- Main entrée: This item will feature children favorites including mac-n-cheese, pasta with meat sauce and pizza
- Secondary entrée : It may be a cheeseburger, breaded fish sandwich, sloppy joe or hot dog – just to name a few!
- Salad: Fresh salad options vary each day. From a chef salad to a taco salad and many others in between.
- Cold sandwich: Some children want to keep it simple...and we have that too! A few selections include: Turkey and cheese wrap and Peanut butter and jelly.
