The mission of Donges Bay is to provide a safe, academically challenging, nurturing environment of mutual respect by inspiring children to achieve their full academic potential. Students will be valued for their individuality and diverse capabilities as they are taught to face the future and contribute to society with compassion, courage, knowledge and vision.

Donges Bay School provides students with the knowledge and skills necessary for success. Teachers place an emphasis on academic excellence and educating the whole child. The school recognizes that teaching and learning are human endeavors, based on personal triumph, struggle, and the passion for helping children become knowledgeable, respectful, kind citizens. Donges Bay students and staff both understand and appreciate that it truly takes a community to educate our children.

The Positive Behavior Intervention and Support (PBIS) expectations of *Be Respectful, Be Responsible and Be Ready to Learn* are focused on throughout the year and are very important at Donges Bay. The school focuses on academic excellence by being goal-oriented and data-driven. Beyond implementing new initiatives in reading, spelling, writing, and math, students are taught the importance of being good citizens and giving back to their community through student council and PTO-partnered programs. At Donges Bay students learn values as well as academics.
