*For WTW, teachers are to enter the season (fall, winter, spring), level of assessment (ie. within words), stage/level (early/middle/high), and feature points.

F&P should be administered to **all students in grades K-2, to **new** students in grades 3-5, and to students in grades 3-5 that score **below** the 50th percentile on MAP Reading for fall and spring.

*** Grades 6 will need training in fall on how to enter writing scores into Alpine. They will start entering scores during the winter and spring testing windows.
