Student Registration in the Mequon-Thiensville School District

New Students Can Register Now; Returning Students Can Register Beginning August 1st

MEQUON, WI. — Registration dates have been scheduled for Mequon-Thiensville School District families. School principals and staff are currently registering new families. Returning families to MTSD may register their children beginning August 1, 2015.

All school buildings will be open during regular business hours on Tuesday, July 21 and Thursday, July 23 plus an additional three days in order to facilitate registration for new families and answer questions for returning families. All families are invited to tour their child's school. A schedule is posted on each school's webpage under "NEWS." New families who intend to register their children on another date are asked to call MTSD's Student Services Department at 262-238-8510 or visit the district office.

Online registration for returning families will begin on Saturday, August 1. Enrollment information including personalized passwords and school fees will be distributed to families via email at the end of the month.

While the District requests that all families register online, MTSD administration encourages all families to visit their child's school building on registration day, Thursday, August 13 from 8:00 a.m. – 2:00 p.m. and 4:00 p.m. – 8:00 p.m. At registration day, student pictures will be taken, staff will be available to answer school-related questions, and computer kiosks will be available for families who had not yet registered online. Additionally, MTSD's food service, transportation service, and parent/community groups will be on hand to provide important information. At the high school level, schedules are obtained on this day.

For more information about registration, please visit us at www.mtsd.k12.wi.us or call the Student Services Department at 262-238-8510.
