FOR IMMEDIATE RELEASE: April 6, 2015

**MEQUON-THIENSVILLE SCHOOL DISTRICT TO CONDUCT CENSUS**

*Survey administered to determine the number of children in the district, per state law*

MEQUON, WI — Annually, district residents are surveyed to determine the number of household occupants ages 21 and under who currently reside in the school district. The census results are used to project student enrollment throughout the district and are reported, as required, to the Department of Public Instruction.

This year residents will complete the census online. All residents will receive a mailing from the district, with instructions for using the online census tool. Residents can complete the survey by visiting the district website at [www.mtsd.k12.wi.us](http://www.mtsd.k12.wi.us) and visiting the census link under “District News” on the home page.

If you have not received your census mailing, please call 262-238-8510.
