FOR IMMEDIATE RELEASE: April 8, 2015

**STATEMENT FROM THE MEQUON-THIENSVILLE SCHOOL DISTRICT**

MEQUON, Wis. – The Mequon-Thiensville School District released the following statement after the announcement of yesterday’s election results:

*We would like to thank residents for their consideration of the district’s facility needs, engaging in a process to evaluate solutions and for voting yesterday.*

*As the district proceeds to the next step of this process, residents can be assured that the district will continue to prudently invest taxpayer dollars toward facilities needs while using the strategically developed long-range facilities plan, share information about the impending capital maintenance projects and continuously seek to make the community’s schools optimal learning environments in order to allow our students to flourish academically, socially and emotionally.*

*More information about projects, including timelines for the borrowing of funds and construction, will be posted on the district’s website when appropriate.*
